

Meeting called to order @ 7:02 pm

In attendance: Janette Kiraly, Cara Alvaro, Holly Stock, John Clafton, Vice President- Kim Bell, Carra and Michael Randall, President- Teresa Emrich, Treasurer- Scott Emrich, Secretary- Lauren Roberts

Topics of Business

Last month's minutes: Scott made a motion to approve last month's minutes. Teresa seconded all others present approved.

Treasurer's Report: As of right now we have brought in just over 60 thousand dollars. The merchandise is showing a negative amount because of the incentives provided to the athletes this year for their program, ad and discount card sales. There was also a little more expense with the polos this year because there are more athletes in the program so another order had to be made. The A-frame signs were an unplanned expense but have been a tremendous addition to the program. Positive input from parents and others in the community who have seen the signs. Maybe in future years additional signs can be purchased to display in other intersections.

Locker Room update: The locker rooms have been painted. We are moving forward with buying the carpet and getting free installation rather than getting the carpets donated and having to pay for the installation. It will be more cost effective paying for the carpets than the installation. The booster club will be looking into large screen TVs rather than projectors to make their use more versatile in the locker room for the coaches and athletes. We are working with Blakes Lotaburger who has offered to do a wrap around each of the portables if their budget allows. This will decorate the outside of each portable and personalize them to the PVHS Football Program.

Tailgate Parties: The first tailgate party was a huge success. The second did not have the same turn out we think partially due to the holiday weekend. We are looking forward to the third tailgate party with Sundance Dental. This tailgate/game will be the week of homecoming. We are hoping the band and other school groups will join us once again for this next tailgate event. There have been some scheduling issues with the current radio broadcaster and the booster club is looking to see if another radio station may be willing to broadcast the tailgate parties. The booster club may use clear channel to help announce the tailgate parties. Techna Glass is willing to place a banner outside their business to advertise the tailgate parties. All calls will be made at the middle schools and the high school. We are using emails and social media currently to advertise the tailgate parties. Posters with the football schedules will be going out this week to both the sponsors and athletes who will be instructed to deliver the posters to different businesses within the community. The posters have been provided free of charge by Photosynthesis.

Homecoming: Homecoming is 9/29/17. The booster club and Cara Alvaro met with the cheerleaders who will be taking over the duty and tradition of making mums. They will be making 150 mums sold at different price ranges for students and parents to buy. The

cheerleaders will provided fliers to give out for the selling of the mums. The deadline to order mums will be September 20th.

Float and Bonfire: The booster club board would like to schedule a meeting with Coach Foster and also Mrs Houston to discuss these details further before making any more decisions. Once the night for the parade has been determined the booster club is going to try and work with Taco Bell for food donations.

District Opener: Since all of the military/ National Guard equipment is going to Houston to help with the relief efforts the booster club is going to see if fireworks could be used at the district game instead. The booster club is in contact with the fire department to see if fireworks would be feasible. Also the booster club would like to do a food/supply/money drive to help with the relief efforts in Houston. The booster club is going to contact the American Red Cross to see what all is needed for donations.

Fuddruckers: 9/7/17 the pre-game meal will be at Fuddruckers. All persons that go to Fuddruckers on that day and wear PV clothing or who mention PV a percentage of the proceeds will go to the locker rooms. After the pre-game meal the varsity players will go to Advantage Dodge for a photo-op as Advantage Dodge makes a donation to the PVHS Football Program.

Blakes Lotaburger: The Blakes Lotaburger Fundraiser will be 9/25/17 which is Monday night of Homecoming week. They too will be offering a financial kick back to the locker rooms for all people who come in with a paper flier or a flier on their phone and show it at the time of their order. The fliers will be coming out soon.

Banquet Update: The Football Banquet will be held December 5th at 6 pm at the Elk's lodge. It is for all athletes of the football program and their immediate family. Tubascope will be donating the brisket and the booster club is working with the Cate's center about getting a quote for side food times.

Meeting adjourned @ 8:14 pm
